FUND OVERVIEW

The Global Equity Growth Fund invests in a concentrated portfolio of companies around the world with sustainable competitive advantages. It is managed by an experienced team of professionals that aim to deliver long-term, above-average, risk-adjusted returns. The MWG Global Equity Growth Fund is available for investment in both Canadian and US currencies.

OBJECTIVE

The Fund's investment objective is to provide long-term capital growth by investing primarily in equity securities of major global companies in order to provide broad exposure to growth opportunities around the world.

WHO IS THIS FUND BEST SUITED FOR?

Long-term investors seeking capital growth potential through investment in growth companies around the world with an outsized exposure to Canada, beneficial to Canadian investors.

PHILOSOPHY

MWG's investment philosophy is, at its core, bottom-up fundamental investing. We are long-term investors, not speculators. Our ability to focus on quality companies, at reasoned prices, with sustainable competitive advantages is key to delivering long-term, above-average, risk-adjusted returns. The foundation of our success is a well-defined team process, which maximizes our combined 85 years of investment experience, and adherence to predefined stock selection criteria. MWG builds a concentrated portfolio of high conviction securities chosen to enhance their impact on performance.

HOW HAS THE FUND PERFORMED?

YEAR-BY-YEAR RETURNS

This chart shows how Series O units of the MWG Global Equity Growth Fund have performed in each of the past 5 years. The range of returns and change from year to year can help you assess how volatile the Fund has been in the past. Returns are after expenses have been deducted, excluding management fees.

Past performance is not indicative of future results.

| | 2021 | 2020 | 2019 | 2018 | 2017 |
|--------------------------------------|--------|---------|---------|---------|---------|
| MWG Global Equity Growth Fund | 32.1 % | 21.51 % | 24.68 % | 0.93 % | 18.30 % |
| Benchmark* | 22.6 % | 11.62 % | 21.88 % | -2.77 % | 14.88 % |

*Benchmark: 75% MSCI World Index (C\$), 25% S&P/TSX Composite Index.

MINIMUM INVESTMENT

The minimum investment for our funds is typically \$250,000 (across combined personal and/or family accounts).

Depending on potential future investments there can be some flexibility. We are more than willing to work with our clients to determine the best options to suit their investment needs.

FEES

The Murray Wealth Group calculates and bills fees quarterly using a tiered fee schedule based on total combined assets across family accounts. The first \$2,000,000 fall within the first tier starting at 1.00% management fee (excluding custodial fees).

For the full breakdown of MWG's tiered fee schedule, please reach out to us directly at info@tmwg.ca.

HOW RISKY IS IT?

The value of the Fund can go up and down. You could lose money.

RISK RATING

The Murray Wealth Group has rated the volatility of this Fund as medium to high.

This rating is based on how much the Fund's returns have changed from year to year. It doesn't tell you how volatile the Fund will be in the future. The rating can change over time.

For more information about the risk rating and specific risks that can affect the Fund's returns, please refer to the Risk section of the MWG Funds' Offering Memorandum.

NO GUARANTEES

Like most funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

A WORD ABOUT TAX

In general, you will have to pay income tax on any money you make on a fund.

How much depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan (RRSP) or a Tax-Free Savings Account (TFSA).

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you receive them in cash, or have them reinvested.
