FUND OVERVIEW

The Income Growth Fund invests in a concentrated portfolio of companies around the world with sustainable competitive advantages. Managed by an experienced team of professionals that aim to deliver long-term, capital appreciation and stable income investors require.

OBJECTIVE

The Fund's investment objective is to provide long-term capital growth and a stable stream of dividend income by investing primarily in high quality equity securities of major North American companies that have demonstrated the ability to increase dividends over time. While the primary focus of the Fund is capital appreciation, some income will be generated through investments in dividend paying securities.

WHO IS THIS FUND BEST SUITED FOR?

Long-term investors seeking capital growth and a stable stream of dividend income by investing primarily in high quality equity securities of major Canadian & U.S. listed companies.

PHILOSOPHY

MWG's investment philosophy is, at its core, bottom-up fundamental investing. We are long-term investors, not speculators. Our ability to focus on quality companies, at reasoned prices, with sustainable competitive advantages is key to delivering long-term, above-average, risk-adjusted returns. The foundation of our success is a well-defined team process, which maximizes our combined 85 years of investment experience, and adherence to predefined stock selection criteria. MWG builds a concentrated portfolio of high conviction securities chosen to enhance their impact on performance.

HOW RISKY IS IT?

The value of the Fund can go up and down. You could lose money.

RISK RATING

The Murray Wealth Group has rated the volatility of this Fund as medium to high.

This rating is based on how much the Fund's returns have changed from year to year. It doesn't tell you how volatile the Fund will be in the future. The rating can change over time.

For more information about the risk rating and specific risks that can affect the Fund's returns, please refer to the Risk section of the MWG Funds' Offering Memorandum.

NO GUARANTEES

Like most funds, this fund doesn't have any guarantees. You may not get back the amount of money you invest.

A WORD ABOUT TAX

In general, you will have to pay income tax on any money you make on a fund.

How much depends on the tax laws where you live and whether or not you hold the fund in a registered plan, such as a Registered Retirement Savings Plan (RRSP) or a Tax-Free Savings Account (TFSA).

Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you receive them in cash, or have them reinvested.
